

Global Mobility Services

Our Global Mobility Service assists companies with the assignment of their employees - to Germany and abroad while at the same time complying with international legal requirements.

With our comprehensive services and integrated consulting approach, we provide you with tailor-made solutions that take into account both compliance and risk management in international personnel matters at home and abroad. Increase the efficiency of your global mobility processes and ensure the satisfaction of your employees at the same time.

01

Full-service consulting

02

Personalised support from a single point of contact

03

Comprehensive expertise for (small and medium-sized enterprises) SMEs

04

Sustainable partnerships and - long-term trust

SOCIAL SECURITY

Clarifying the insurance coverage of your employees in their country of assignment and home country and assistance in checking and completing the necessary applications and reports, always bearing in mind all the particularities of social security law.

PAYROLL

Carrying out the ongoing payroll accounting reliably for you. Take advantage of customised analyses and overall cost reports prepared in accordance with your requirements. Use our convenient way of sending payroll reports - or access the information directly via our secure cloud solution.

EMPLOYMENT LAW

Drawing up the necessary employment contracts and supplementary agreements, advising you on working and employment conditions in accordance with the regulations applicable in the host country and developing tailor-made assignment guidelines for you.

TAXES

Providing you with comprehensive advice on the tax regulations for international assignments and supporting you at home and abroad with the help of our network partners. Our 360-degree consulting approach ensures that your business activities run smoothly and assists you with any challenges that you may face.

IMMIGRATION

Applying for the visa and residence permit for your employees in Germany or abroad. Working hand in hand with our international partners, we guide you step by step through the complex application process.
